## **Ohio Manufacturers' Association PAC Endorses Justice Sharon Kennedy for Supreme Court**

COLUMBUS, Ohio – The Ohio Manufacturers' Association Political Action Committee (OMA-PAC) has endorsed Justice Sharon L. Kennedy in her re-election bid for the Supreme Court of Ohio.

Justice Kennedy is in her second term in the state's highest court, having first joined the court in 2012. Prior to her time at the Ohio Supreme Court, Justice Kennedy served at the Butler County Court of Common Pleas, Domestic Relations Division. From 2005 until 2012, she was the administrative judge of that division.

The OMA-PAC's endorsement came following a review of Justice Kennedy's record of votes in cases of importance to the business community.

"The court can have a tremendous impact on the business climate in Ohio, and Justice Kennedy is the right choice for Ohio's manufacturers and businesses," said OMA-PAC Chairman Billy Vickers, president and CEO of the Dublin, Ohio-based manufacturing firm Modular Assembly Innovations - Great Lakes Assemblies (MAI-GLA). "She is committed to upholding the Ohio Constitution and strictly interpreting the law, not legislating from the bench. We encourage Ohioans to vote for Justice Kennedy."

Established in 1910, the OMA's mission is protect and grow Ohio's manufacturing industry, while representing small to large manufacturers in every industrial sector.
